Information for vessels with pre-booked alongside berths, moorings or anchorage (arrangements may change owing to Covid 19)

Unless otherwise informed, alongside berths, mooring and anchorage preferences will have been reserved on receiving your entry form. Once the mooring and alongside berths and moorings are full this will appear on the entry form when only free anchorage will remain.

Vessels are advised to arrive on Thursday 10th June from 11.00 onwards.

On approaching Black Rock, call "Falmouth Haven" on VHF Channel 12. Intimate that you are arriving for "Falmouth Classics" and have booked a berth, mooring or anchorage. You will then be directed to your allocated area.

On passing the Docks, you may or may not be met by a rib or launch which will welcome you. If not the Classic's berthing masters and their team will be on the pontoons to direct you to your berth, mooring or anchorage and will provide you with any help you might require.

On arrival, the berthing team will be pleased to give you any information that you require. Their mobile number is: **07555574307**

Registration takes place at the Regatta Office (location to be advised) at the following times:
